

# U.S. COAST GUARD MWR PROGRAM

---

Ladies and Gentlemen,

Good day, I hope you are doing well. As you may know, the Coast Guard Morale, Well-Being and Recreation (MWR) program is a quality-of-life program that serves those who protect and defend.

The mission of the Coast Guard MWR Program is to uplift the spirits of the Coast Guard Family and be an essential element of Coast Guard readiness, retention, and resiliency through customer-owned and driven MWR programs and services (e.g. athletic programs and services, Spring Flings, CG-Day celebrations, Harvest and Winter Festivals, game rooms, as well as lodging to name a few). If you are interested in sponsoring one or more of these types of programs, please read through the attached sponsorship letter and sponsorship packages. Should you have any questions please do not hesitate to reach out to MWR. Thank you for your time and consideration towards this worthy mission.

Respectfully,  
Michael

Michael Hill  
MWR Assistant Director proudly serving:  
Air Station Elizabeth City, Aviation Logistics Center, Aviation Technical Training Center, Base Elizabeth City, C-27J Asset Project Office, National Strike Force Coordination Center, and Station Elizabeth City.
