

The **Arts Project** grant program provides funding for the planning and implementation of arts-based projects, of all disciplines, for Connecticut audiences, communities and participants. The project must be accessible and relevant to the audience and community and must engage at least one (1) Connecticut artist in a significant project role. Grant requests range from \$5,000 - \$15,000.

**COA awarded twenty-seven (27) Arts Project grants totaling \$290,650.**
