

# WE'RE HIRING AT CONCERNED AFRICAN WOMEN, INC.!

## OPEN POSITION:

### **CARE COORDINATOR / Synergy Service Partnership**

The Synergy Service Partnership uses a system-of-care approach anchored by **Care Coordination** of support services designed to meet the broader spectrum of needs with a primary focus on reducing and preventing youth violence, chronic school absenteeism, and child maltreatment.

Care Coordination utilizes an evidence-based approach that helps eligible families receive (but not limited to): Crisis/Emergency Assistance, Homeless Intervention and Prevention, Mental Health, Parenting, Individual Counseling, Truancy Prevention, Mentoring, Afterschool Programing, and many more Services.

The **Care Coordinator** will assess and define protective factors/family strengths and service needs, including the need for health insurance. To develop an Individualized Care Plan (ICA) for the family addressing their needs and completing appropriate referrals based on the concerns and services required. To garner a positive, strength-based support system to holistically address the needs and improve outcomes.

**SALARY: To be discussed**

**HOURS: 9:00am until 5:00pm**
