

Dear Sponsor,

On behalf of the Arab America Foundation we welcome your participation as a sponsor for National Arab American Heritage Month during the entire month of April 2023.

During the month of April, the Arab America Foundation formally recognizes the achievements of Arab Americans through the celebration of National Arab American Heritage Month (NAAHM). Across the country, cultural institutions, school districts, municipalities, state legislatures, public servants, and non-profit organizations issue proclamations and engage in special events that celebrate our community's rich heritage and numerous contributions to society.

Arab America and the Arab America Foundation launched the National Arab American Heritage Month initiative in 2017, with just a handful of states recognizing the initiative. Each year, our grass-roots network of over 250 Arab American volunteers in 26 states gathers hundreds of proclamations from their states, counties, municipalities, and local school districts.

The [President of the United States](#) recognized the month of April as National Arab American Heritage Month with a special commemorative letter to our organization. In 2022, Congress, the U.S. Department of State, and 45 state governors issued proclamations commemorating the initiative. Additionally, the following states have passed permanent legislation designating the month of April as NAAHM: [Illinois](#); [Oregon](#); [Virginia](#); and [Indiana](#) (Senate).

We welcome your participation as a sponsor to celebrate Arab heritage and enhance the understanding of Arab identity and culture in America through this important initiative.

Thank you and we look forward to hearing from you no later than Wednesday, March 29, so we can include you in all marketing materials and press releases throughout the month.
