Who Are We?

The Arab America Foundation (AAF) is a non-profit (501c3) educational and cultural organization established in 2019. The mission of AAF is to promote the Arab heritage, educate Americans about the Arab identity, and to empower and connect Arab Americans with each other and with diverse organizations across the U.S.

Join Our Movement

During the month of April, the Arab America Foundation formally recognizes the achievements of Arab Americans through the celebration of National Arab American Heritage Month (NAAHM).

Across the country, cultural institutions, school districts, municipalities, state legislatures, public servants, and non-profit organizations issue proclamations and engage in special events that celebrate our community's rich heritage and numerous contributions to society.

Arab America and the Arab America Foundation launched the National Arab American Heritage Month initiative in 2017, with just a handful of states recognizing the initiative. Each year, our grass-roots network of over 250 Arab American volunteers in 26 states gathers hundreds of proclamations from their states, counties, municipalities, and local school districts.
