

JERSEY CENTRAL POWER & LIGHT PRESENTS:

UTILITY CONSTRUCTION OPPORTUNITY FAIR

Jersey Central Power & Light is investing in our transmission infrastructure across New Jersey. This work requires expanding our relationships with current contractors, vendors and suppliers and initiating new business partnerships. This Opportunity Fair will provide information about the proposed scope of our projects and the potential business opportunities they will create.

Participation will be limited to contractors and suppliers with experience in the following:

- Engineering Services
- Flagging Services
- Safety Clothing/Supplies
- Overhead/Underground Construction
- Distribution Hardware
- Substation Equipment & Work
- Meter Reading Uniforms

Interactive Break-Out Sessions

- JCP&L opportunities in Construction, Engineering, Professional Services and more
- Roundtable sessions with the FirstEnergy Supply Chain Representatives

Jersey Central[®]
Power & Light
A FirstEnergy Company
