

NOW CASTING:

ARE YOU OPENING YOUR DREAM RESTAURANT THIS FALL/WINTER?

- Are you opening a restaurant somewhere in the U.S. in late 2018 / early 2019?
- The weeks leading up to your restaurant opening are the most critical. Will you be ready?
- Would a consultant with a proven track record help you succeed?

If so, a major cable network wants to put your restaurant on the map and help take your opening to the next level! Our opening night expert will whip your restaurant into shape - from kitchen flow and staff training to menu tweaking and testing - giving your dream a boost for bigger success! We'll track your progress, catch it all on camera, and change your fate and future.
