

## **The Indiana Department of Natural Resources Lake Michigan Coastal Program Seeks Program Manager to Join the Team.**

The Indiana Department of Natural Resources (IDNR) Lake Michigan Coastal Program (LMCP) is currently seeking a Program Manager to lead the team. The LMCP provides technical and financial assistance to state, regional, and local partners to protect, preserve and utilize coastal resources. The program also helps coordinate state agency action on coastal management issues. The incumbent is responsible for guiding the Coastal Program and representing the IDNR on Great Lakes issues where appropriate. Provides overall program guidance including policy decisions, programmatic planning and budgeting as well as personnel issues.

The position is based at the Indiana Government Center in Indianapolis, Indiana.
