

BERKS COUNTY
CONSERVATION DISTRICT

Conserving Natural Resources for Our Future

NOW HIRING!

MDC / Pest Control & Environmental Outreach Assistant

MDC/Pest Control - This portion of the position will be responsible for implementing mosquito control and Integrated Mosquito Management (IMM) throughout Berks County. From April through September, key duties include fieldwork, data collection and entry, and mosquito control activities.

Environmental Outreach - The Environmental Outreach portion of the position is primarily responsible for planning, coordinating, marketing, and facilitating the Berks County Conservation District's (BCCD) public education and outreach objectives.

Urban Resource Conservationist

The individual holding this position is a member of the Urban Team. This Team is responsible for implementing several state-delegated regulatory programs. Those programs include Chapter 92 (NPDES), Chapter 102 (Erosion Control), and Chapter 105 (Dam Safety and Waterway Management). In addition, the Urban Resource Conservationist is responsible for ensuring that the required output measures are achieved in accordance with the delegation agreements.
