Leadership Spearfish is an in-depth, actively engaging, professional development tool sponsored by the Spearfish Chamber of Commerce.

LEADERSHIP
SPEARFISH

Spearfish Area Chamber of Commerce

APPLICATIONS NOW OPEN

Since 1986, the Spearfish Area Chamber of Commerce has promoted and fostered the development of leadership in the greater Spearfish community. Leadership Spearfish is a program designed to meet the community's need for active participation of informed and dedicated community leaders. This program works to facilitate the sharing of knowledge and expertise among leaders of area businesses and organizations.

Since its inception, the program has graduated more than 550 leaders into the Spearfish area. The 9-month program is designed to promote a better understanding of this community, build and enhance leadership skills, and develop a strong network of community leaders.

With keynote speakers, panel discussions, team-building exercises, problem solving, and site visits, participants gain valuable insight into the local economy. The topics change as the issues, challenges, and opportunities of the community change. Participants have VIP access to the many different industries that create the positive climate of Spearfish.

The program is open to all people who live or work in the Spearfish area, from all segments of the community, all career levels, and long term to new residents.

Leadership Spearfish gives you two main skill sets. You learn how to be an effective leader through different seminars and speakers, but you also learn about Spearfish and how to put your new skills to work. I loved learning about Spearfish and meeting other leaders in our community. I highly recommend the program.

LEADERSHIP SPEARFISH

Spearfish Area Chamber of Commerce

The Leadership Spearfish class was a fantastic learning experience as many local businesses were toured. Business owners were informative and provided a wonderful networking opportunity. Many fun and productive tools were utilized in class that encouraged trust building, cooperation, team effort, and problem solving. The members of our class already have volunteer and fundraising endeavors in the works so this truly was and will continue to be a fantastic and productive experience.
