

The steps you take today,
could be the difference in your tomorrow...

Business Continuity, Emergency Planning, and
Prevention & Response to an active threat situation...

Are YOU ready?

**Woller-Anger & Company invites you to attend our Seminar
as a value-added service to WCCAA Members and Guests.**

You have made a significant investment of time and resources to make your Child Care Center the business it is today. How quickly you can get back to business after a disaster or loss often depends on the planning that is done today. Estimates indicate that at least 25% of businesses never reopen following a disaster or significant loss. Learn steps and processes you can take to get on the right track and stay open for business.

This engaging seminar will consist of two informative presentations:

- Business Continuity and Emergency Planning, by Dan Riedel.
- Prevention & Response to an active threat situation, by Captain Mike Bolender.

Ask yourself...

- Do you have a disaster plan in place should a loss or an event occur?
- Is your risk management strategy suitable to deal with a crisis of this nature?

Speaker

Captain Mike Bolender of the Peaceful Warrior Training Group has been with the Oak Creek Police Department for over 29 years. He is assigned as the Operations Captain overseeing the Patrol Division and the Communication Center. Mike has responded to two active shooter incidents and has extensive training in these situations.

Speaker

Daniel Riedel of Woller-Anger & Company, LLC has over 25 years experience working with youth programs and schools and over 19 years in the insurance industry specializing in child care programs. He has presented seminars for the WCCAA, the WECA, the Wisconsin AfterSchool Association and Waukesha County Technical College. He is the Wisconsin Representative to the Child Care Advisory Panel for West Bend.
