

# Spine Coding Boot Camp TESTIMONIALS

*What is the most important thing that you learned?*

*“How to use modifier -22 for the removal of TDR. I also received a lot of documentation tips to give my surgeon to help support appeals!”*

---

---

**How was your Teams Meeting experience?**

*“Great! Everything ran smoothly.”*

---

---

**What is the least important/ valuable thing that you learned?**

*“It was all valuable! Even if I already knew it, it helps to have it confirmed by a professional coder.”*

---

---

**Was the course content relevant?**

*“The course content was extremely relevant!”*
