

Earn 12 CEUs from AAPC

Spine Coding & Appeals Workshop

Get ready for a challenging, yet interactive training course that involves advanced coding for unique spine cases that will allow you to uncover the proper coding technique to maximize reimbursement.

Then, gain a competitive edge with our Advanced Appeals Course featuring a full day of in-depth, high-level appeals, through each level of the appeals process in order to understand the steps needed to receive maximum reimbursement for your spine cases. Our Advanced Appeals Workshop that promotes hands-on training that will have the specialist engage in coding, auditing and identifying appeals on spine cases.

Date: TBD

Time: 9am - 5pm EST

Location: Microsoft Teams Meeting

Agenda

Coding Boot Camp 2.0 CEUs

Our Boot Camp course will solidify your knowledge in spine coding and provide you with a strong foundation in order for you to become a top agent in this most complicated field.

Putting Up Our Dukes 1.5 CEUs

Take aim at working through denials that are received and learn how to formulate strategies to win appeals.

Medical Policy Guidelines 1.5 CEUs

Understand how insurance carriers detail their coverage policies and learn how to employ techniques to remain compliant with carrier protocols.

Identify the Appeal 2.5 CEUs

Study the different types of appeals necessary to remain on point when formulating the proper appeal throughout the communication cycle.

Types of Appeal Letters 1 CEUs

Learn how to develop appeal letters that are strong and fluid.

Appeals Workshop Cases 2 CEUs

Learn how to code cases and analyze insurance carrier responses in order to work through the auditing and appeals process.

Appeal Type 1.5 CEUs

Know how to correctly identify the specific appeals that focus on the matters at hand.
