My Message - By Reb Tuviah

Shalom, Shalom!

Thanksgiving, the idea and the holiday, are both on my mind. We know that giving thanks is a very religious value and is most certainly a Jewish value. I submit that giving thanks and expressing gratitude are among the most, if not the most, of all human and religious values.

Such expressions appear on almost on every page of our siddur. Of course, the recent holiday of Sukkot is our own institutionalized Thanksgiving. However, as Americans who enjoy America's freedom and blessings, we, as Jews, have an additional, albeit secular holiday to express our gratitude.

In my family, we always looked forward to Thanksgiving with great anticipation. Family members from far and wide would make their way to one central location on Long Island and for one day, catch up on each other's lives. Although many family members have passed on, we still try to gather each year pausing to remember them as we celebrate our family and give thanks for all that we have.

One of our sages Rabbi Meir taught that in gratitude one should recite a hundred blessings every day. Even on the most ordinary and uneventful of days, there are countless occasions for expressions of gratitude. Beyond those of home, family, food and shelter, there are so many gifts that call forth a blessing. There are moments and sights that could and should be sanctified with a *bracha*, with a blessing. These may include the magic of a melody that captures the heart, an idea that exalts the mind, a stately tree that excites the imagination, a formation of migrating birds, a rainfall that refreshes, a congenial conversation, autumn leaves, the reawakening of nature every spring, the sudden appearance of a magical rainbow and the freedom to which we awaken every day. These and so many others are gifts and moments to treasure. Indeed, the quality of our lives is reflected by the things that move us to recite a *bracha*. To celebrate Thanksgiving is to celebrate life.

Nancy and I wish all our Temple Beth El members and friends a most joyous Thanksgiving!

L'shalom,

Reb Tuviah

What do the Months Tell Us?

From our Rebbetzin, Nancy Beltran-Schreiber

Written by “At The Well”...Cheshvan:
Faith. Follow through. Grounding.
Spiritual Energy of Cheshvan: Feel the

Let-Down Last month, we honored
ourselves, our humanity, and our

closeness to the Divine. Jewish teachings suggest that over
the last month we ascended to receive life's gifts and take

full advantage of elevated states and experiences. Together, we created a month's worth of energy that was deep, powerful, honest, emotional, and joyous. And now... well, now, we have Cheshvan, the only month in the entire Hebrew calendar with no holidays. Building on the stillness of this month, there's even a tradition of foregoing celebrations such as weddings during Cheshvan. In essence, this month gives us room to experience the fullness of the let-down. Feel the Let-Down We all know that let-down feeling. At some point, transcendent highs turn to lows. They always go together. You spend a weekend visiting your best friends, laughing, connecting, being together... and then the weekend ends. You go home, back to the grind, and acutely feel the absence of that camaraderie and love. This phenomenon was probably familiar to early Jews returning from Jerusalem after making sacrifices at the Temple, and for our ancestors returning from spiritual pilgrimages to visit their Rebbes. When that spiritual high was over and the people journeyed home, it would have felt like a shock, a time of mourning, or at least a little slump as they waded back into the “muck” of everyday life. Our Hebrew calendar is thoughtfully designed. After an ecstatic Tishrei, Cheshvan asks us to land. We're invited to use this month as a spiritual tool to bring ourselves back down, planting our feet firmly on the earth. Follow Your Intentions. Cheshvan is when the real work begins. On Rosh Hashanah and Yom Kippur, we made promises to do better this year. In Cheshvan, we honor those intentions and take the first steps toward making them real. This month, allow yourself space to notice any resistance you have to making the improvements you promised you'd make, and resistance you have to change in general. We must go beyond ourselves to be who we want to be. It's important to stay clear and awake to your intentions during this time. Step forward even if you can't see clearly where exactly you're going — that's faith. And be generous with yourself as you gauge your progress. It's Worth It. In Judaism, we believe every person and every moment has a chance to become holy. We believe what we do, and experience can change the fabric of our lives and the world. Our work while on Earth is to elevate ourselves and bring goodness to our time while alive. Our job is to manifest love, justice, peace, and joy, and to know that what we say and how we act matters. This month, have faith, and keep moving toward the light.

A Message from our Temple President

Shalom Temple family and friends,

First, I would like to thank Reb Tuviah and Cantor Bard for the amazing High Holiday services we had in our sanctuary this year! I also want to thank Kate Richmond, and her committee members, our Board of Directors as well as all the volunteers that helped us prepare for the HHD Services. I know everyone involved put a lot of time and energy to ensure our services were enjoyable for all who participated. I also want to thank everyone

who recently made donations to Temple Beth El. We truly appreciate your generosity!

Temple Beth El has an urgent need for volunteers. I am asking everyone who has visited our Temple recently or in the past, please consider joining our volunteer group to help us with various tasks. As mentioned in one of my HHD speeches, we are a do it yourself Temple and cannot afford to hire people to help with all functions of our operation. It is not required to be a Temple member for volunteering. It is, however, a mitzvah to help in some way. If you have an interest and want to find out more about doing a mitzvah, please feel free to contact me or any of the Temple Board members. We would be delighted to meet with you and appreciate your time and energy.

Just a reminder that the Manatee County Food Bank still needs our help! Many unfortunate people find themselves struggling to buy food, especially now with the increased costs of consumer goods. If you would like to donate money, I am attaching the link for your convenience.

<https://securepayment.link/mealsonwheelsplus/> Thank you for your help with all our mitzvah projects.

Warm regards,
Ron Eiseman

Religious School - A New Way, An Exciting Way!

Hebrew School has started! The children love coming on Saturday mornings. They spend time with our Hebrew School teacher "Miss Susie", then learn about holidays, culture, beliefs, values and Jewish ways with Mr. Kai or one of the other marvelous volunteer teachers. After lessons, they come into the sanctuary to participate, sometimes presenting their art work or projects, share in the joy of the Torah processional and then join in the blessings over the wine and Challah.

No longer on Sunday, now "Hebrew School" happens every Saturday starting at 9:30 am and is "Shabbat School!" It is a delight for all. Children are included in the true celebration of Judaism. They become a part of their religion in a meaningful, practicing way, participating alongside their parents or grandparents and the rest of the congregants. This is the way learning was meant to be.

If you know of anyone interested in "Hebrew School" for their children, please have them contact Rabbi Tuviah.

If you would like more information, including Bar/Bat Mitzvah preparations and how to enroll, contact, Rabbi Tuviah – rebtuviah@gmail.com

News from Sisterhood

Greetings from the TBE Sisterhood! On October 25, the ladies of TBE had a lovely Rosh Chodesh Circle led by our Rebbetzin to celebrate the new month and our lives as Jewish women. The Sisterhood has planned monthly events for November 2022, December 2022, and January 2023 after the "snowbirds" return, and will be co-sponsoring the November and January events with the TBE Men's

Club. In November, we're visiting a local winery, in December we'll have our annual Sisterhood Chanukah pot-luck and gift exchange, and in January 2023 we'll be attending a Neil Diamond tribute concert. The Sisterhood will also be sponsoring a Bake Sale at the December 18 TBE Chanukah party. So get out your recipe box and pick out one of your favorite recipes! Check the TBE website (www.bethel-fl.or) or the Temple Beth-El weekly wrap for more details as they become available. In the meantime, we are considering events post-January 2023 and would love to hear your ideas and thoughts.

L'Shalom

Meg Weinberg, Sisterhood President

Gentlemen,

The Men's club had a breakfast meeting at Perkins this past Sunday the 16th. We had really good attendance. In addition to a fun breakfast with friendly chit chat we had a very open dialog on a number of topics. Some of the highlights of that meeting included: the group agreed to continue to staff a booth one Sunday per month at the Lakewood Ranch Farmers Market. Volunteers are needed and welcomed. Ken Handelman informed us of a new community service opportunity, working with the Manatee Literacy Council to teach adults how to read. We will share more information on this exciting topic as it becomes available. The Men's Club's next meeting will take place on Sunday, November 13th at 9:00 am. Place to be determined. Just as a reminder, don't miss out on the Bunker Hill Winery tour and tasting on Sunday, November 20th. How can a winery tour not be fun? (RSVP to Robyn Spirtas 941-962-0884)

Sincerely,

Mitch Rubinstein, Men's Club President

Our Mitzvah Projects

Temple Beth El has been working with the Salvation Army since the spring of 2020. People staying at the shelter need health and beauty aids; everything from soap and shampoo to Vaseline and sunblock. These items are only available as they are donated. Please consider donating to this worthwhile project. Items can be brought to the Temple. *Please drop your items in the blue bins under the bulletin board in the lobby.*

On Nov. 7th, TBE will once again have the opportunity to participate in "produce packing" at Meals on Wheels at 811 23rd Avenue East. The Food Bank, with a grant from Bank of America, purchases fresh produce for their meal delivery clients. The project involves sorting and bagging the produce. No lifting required. If you choose to sit, you can sit. For a lot of people, this is the only fresh food in their diet. They very much look forward to receiving it. The more people we have the faster it goes. Arrive 8:30 am. (Typically just 2 hours or less of your time). Email Ken - kmhande63@ymail.com if you are planning to attend.

For many people, this is the only fresh food in their diet. They very much look forward to receiving it.

VOLUNTEERS ARE NEEDED.
WE HOPE YOU WILL CONSIDER
PARTICIPATING IN THIS WORTHWHILE
MITZVAH PROJECT.

The synagogue can purchase burial plots in the "Gardens of Abraham" section of the Skyway cemetery and pass the savings on to our members. However, we need to purchase at least five at a time. From Our Temple Treasurer

Two Ways to Make a Tax-Free Contributions to Temple Beth El

Starting in 2019 the Tax Cuts and Jobs Act increased the standard Federal income tax deduction such that more than 90 percent of taxpayers now take the standard deduction. The 2022 standard deduction is \$13,850 for single filers and \$27,700 for those filing married filing jointly. Add \$1500 for singles and \$3000 for married filing jointly for those over sixty-five.

That means your contributions to the Temple along with major medical and other deductible expenses would have to exceed these amounts to have an impact on your tax bill.

However, there are at least two ways to make a significant contribution to the Temple and save money on your taxes:

1. Set up a Charitable Remainder Trust with the Temple as the charitable beneficiary.
2. For those over the age of seventy-two with a traditional IRA, pay the required minimum distribution (RMD) directly from the IRA to the Temple.

The Charitable Remainder Trust must be set up by an attorney. It is an irrevocable trust. The donor transfers cash or assets to the trust. In addition to a qualified charity (such as the Temple) there must be one or more living individuals who will receive income from the trust for a specific number of years or for life. At the end of the term the remainder of the trust passes to the charitable organization.

Making changes in your RMD distribution is much easier. Simply inform the bank or broker that you want either a fixed amount or a percentage to go to the synagogue. The end of year statement (1099-R) will never show that amount and you can still take the standard deduction.

These paragraphs are for your general information only. It is not tax advice. I urge you to consult with a qualified income tax professional before making any changes.

Tax Planning and High Holiday Giving

If you have appreciated stock in any publicly traded company, you can donate the stock to Temple Beth El. You may be able to deduct the current market value from your 2021 taxable income as a Schedule A deduction without paying capital gains tax. The Temple can then sell the stock and use the funds to continue our good work.

Tax year 2021 appears to be the last year that most taxpayers can take up to a charitable cash contribution to a non-profit organization (such as Temple Beth El) directly from adjusted gross income. This "above the line" deduction is limited to \$300 for taxpayers filing as single, head of household, qualified widow(er)s, and married filing separately. Taxpayers filing joint returns are limited to \$600.

As in all things tax-related, there are exceptions and additional rules. Each person's situation is unique. Please check with your tax preparer to be sure. These are general suggestions only based on publicly available information.

An Easy Way to Donate to TBE

Most of use have a dish where we collect coins that fell into our pockets or purses. Please consider donating them to the Temple's "Pushki Fund." One hundred percent of the coins donated will go to the Temple's general fund and help us fund on-going operations. We will acknowledge your donation by letter and, if you itemize deductions, you can use the amount to lower your tax bill. Just put the coins into a sturdy plastic bag along with a note with your name and address. Leave the bag on the Temple's desk in the office the next time you come to services. We'll take it from there.
