

Instructions for 3 Hours of Prework

Teaching Personal Finance in the Digital Age

June 10, 2019 8:30-3:30

This preworkshop assignment involves exploring the Stock Market Game™ program.

Please complete the following:

- Go to www.stockmarketgame.org and take the tour.
- Register for the Preworkshop Promo Period which runs from May 27-June 14. You may register at any time. However, you will only be able to log in during these dates.
 - Register as "Teach Others"
 - Follow the prompts and complete the form about your class.
 - When you get to the payment options, choose "Pay Later." Don't worry, you will not receive a bill.
 - After registering you will be emailed a Teacher ID and Password and a Team ID and Password. This may take up to 24 hours.
 - The Teacher ID and Password gives access to the Teacher Support Center and is the view the teacher will always see.
 - The Team ID and Password gives access to a portfolio, which is the view your students will always see when they log in.
- Log in using the teacher ID and Password. You will explore the Teacher Support Center and examine the lesson plans, projects, assessments and more that are available. Choose 1 lesson that will be particularly helpful with your current curriculum. Be sure to jot it down, you will need to provide feedback on the lesson.
- Log in using the team ID and Password. Complete a minimum of 3 trades. Make note of your trades, you will need to provide feedback on your trades.
- Once the above work has been completed you will provide feedback using this [Survey Monkey link](#).

This prework should take 3 hours to complete and is required for you to receive the 10 hours of digital financial literacy certificate. Please complete this work prior to attending the workshop on June 10. If you have any difficulty registering, please contact Naomi Richardson.
