Dr. Levy Brown, Vice President of Academic and Student Success at Halifax Community College

Halifax Community College Vice President of Academic and Student Success Appointed to National AACC Commission

WELDON, NORTH CAROLINA – Halifax Community College (HCC) is pleased to announce that Dr. Levy Brown, Vice President of Academic and Student Affairs, has been appointed to the American Association of Community Colleges (AACC) Commission on Research, Data, and Strategic Narrative. His three-year appointment began July 1, 2026, and continues through June 30, 2029.

Dr. Brown's appointment recognizes his expertise in higher education leadership, student success, strategic planning, and institutional effectiveness. As a commissioner, he will join community college leaders from across the nation in helping guide discussions and recommendations that strengthen the use of research, data-informed decision-making, and strategic storytelling throughout the nation's community colleges.

"I am honored to be appointed to the AACC Commission on Research, Data, and Strategic Narrative," said Dr. Brown. "Community colleges play a transformative role in expanding opportunity, and I look forward to collaborating with colleagues across the country to advance strategies that use data to improve student outcomes while effectively telling the stories of the impact our institutions have on students, families, and communities."

Dr. Brown's appointment further strengthens Halifax Community College's presence in national higher education leadership, reinforcing the College's commitment to innovation, excellence, and student-centered success.

The American Association of Community Colleges is the leading advocacy organization for the nation's community colleges, representing nearly 1,000 institutions and more than 10 million students. Through its commissions, AACC engages experienced higher education leaders to address emerging issues, develop national priorities, and advance innovation across the community college sector.
