

Spend a Day Downtown with MAPFRE

If you are anything like us on the weekend, you might start your day by grabbing a cup of coffee at your local **café** or a fresh pastry at your favorite **bakery**.

If some “me time” is due, you may head next door to your favorite **salon** or **barber shop**. Or, you could opt to browse **gift shops** nearby to find a present for that someone special (if so, don’t forget to pick up a card and gift wrapping supplies at the **paper store**). If you are an avid reader, we’re sure we can depend on you to spend some time looking through new releases at the **book store**.

Perhaps after an afternoon of leisure, you’ll choose to enjoy lunch at the family owned **restaurant** that you’ve been meaning to try; and end your meal with a treat from the **candy store**. Since you could never forget about your beloved pet waiting at home, you’ll be sure to stop into the **pet store** for supplies or a special treat. To end a day well spent, you may choose to grab some flowers on the way home for a loved one from the local **florist**.

Did you know that MAPFRE can write the qualifying Business Owners, Auto and Umbrella coverages for these businesses? Plus: we offer a variety of optional coverages to meet their specific needs, such as professional liability (such as a beauty salon, nail salon and barber shop), cyber coverage, equipment breakdown and liquor liability.

MAPFRE also offers a companion policy credit of 5% applicable for insureds with another MAPFRE eligible policy including Commercial Auto/Garage, BOP, CPP, General Liability, Commercial Property, Crime, Inland Marine, and Commercial Umbrella.

Don’t forget about MAPFRE Business Owners Portal (MBOP) which is an enhanced, modern underwriting platform that delivers more precise pricing and accuracy for single building risks for all natures of business.

Please ask your Commercial Lines Underwriter for additional details.

**Small Business Saturday is on November 25 this year.
