

## Props & Accessories for Sale

Now that we are well into our third month of live streamed/recorded classes, we realize that many of you need props for your home practice. We can help with no-contact curbside delivery at the studio!

Simply choose the items you'd like on the order form below (specify color where that's an option), provide your contact information, and when you would like to pick up your order. Please email your order to [yoga@hayc.net](mailto:yoga@hayc.net).

*We have a limited number of mats available for sale. If interested, please email us with any requests at [yoga@hayc.net](mailto:yoga@hayc.net) and we will respond directly.*
