"Seven Last Words of Christ from the Cross"

Please join us Wednesdays during Lent for prayer service, spiritual discussion, and dinner.

This year we will journey through Lent meditating on Seven Last Words of Christ uttered from the Cross.

By all accounts Jesus didn't do a lot of talking on the cross. He was silent during the hours he hung there, except for a very few words. But these Seven Last Words provide a window into Jesus' soul, a way to understand what is ultimately important to this One who is dying on the cross for our sins.

As we study and meditate on each Word, trying to comprehend the meaning of each saying, we will be touched by the awe of the scene on Golgotha that dark, foreboding Friday afternoon as Jesus hung on the cross. We will come to learn and understand Him better – His incredible love, His determination, His humanity and His divinity, His intimate relationship with His Father, and finally His trust.
