

St. Mary Armenian Church Parish Council announces with great enthusiasm the beginning of the renovation of the side entrance of our church. The graphic rendering within this brochure will offer you a visual aid of what the proposed renovation will appear like upon completion.

All donors will be recognized with their names and in memory of on a plaque to be displayed at the wall of the church entrance.

With your help and loving support we can better serve our community and nurture the future of our children.

## Our Mission

The mission of the St. Mary Armenian Church is to proclaim and grow together in our Apostolic Faith in Christ Jesus and to sustain our Christian Armenian identity. We celebrate our long and enduring legacy, the beautiful traditions of our religious and national heritage, with Christian servitude, and with love and reverence towards our Church.

It is also our hope to better communicate our mission with the broad range of spiritual and cultural services that our Church provides, engage our families and communities, and become a source of inspiration for the coming generations.

We invite you and welcome you to be part of our Church, worship with us, and experience the true love of Christ as we continue to grow together as a community.

### ***THE CHALLENGE***

**Our Church** needs renovation for the purpose of safety, preservation and efficiency.

**Our Church** needs to replace the current awning with newer and more sustainable materials.

**Our Church** needs to build a new stairway for a more secure and walkable path and entrance.

**Our Church** needs to have a wider ramp for more accessibility and safer mobility.

**Our Church** will reflect the elegance and beauty of Armenian architecture.
