Dyslexia Connection of Evanston CASE

WHO WE ARE:

**Dyslexic students
+ their folks at
Districts 65 + 202:**

Sponsored by
Evanston CASE
and created by
parents interested
in making a
place where
dyslexic students
can meet and
be empowered.
Our mission is to
advocate for
appropriate
school services
and find ways to

help our kids thrive by making informed decisions.

WHAT WE OFFER:

Gatherings:

You are not alone! 15-20% of the population is dyslexic - here's a chance to meet others that enjoy the dyslexia advantage at monthly zoom + park meet-ups.

Zoom Meetings: Last Wednesday of the month, 7pm

Park Meet-ups: Last Thursday of the month, Garden Park at the lakefront, 6:30pm

Advocacy:

We'll send a rep to each relevant District 65 + 202 meeting to advocate for the relevant, science based curriculum and services for language based learning disabilities.

Strengths Focus

How can we identify strengths dyslexics typically enjoy to help our kids recognize their value + build skills in areas where things come readily to them? Lets explore this together.

Resource Sharing:

Knowledge is power, especially when meeting with school personnel. As we grow, we'll host dyslexia expert panels, Q+A sessions, create focus groups to research best practice on topics that often challenge dyslexics, and provide these resources online. We want to
