**SAFETY GUIDELINES**

The Club and CMRF will take all measures to ensure the safety of our guests and to comply with social distancing and State Guidelines.

Due to unforeseen circumstances this event could be cancelled.

For directions to Winged Foot and for Dress Policy please visit [www.wfgc.org](http://www.wfgc.org).

The proceeds of this year's fundraising events will continue to support the work of The National Children's Research Center in Dublin, Ireland. In 2021 the center will fund over 50 pediatric research projects that have each had to pivot their plans due to the global pandemic of Covid-19.

For additional information or to make a reservation please call Carla Capone at 212.213.1166 or email [events@carlacapone.com](mailto:events@carlacapone.com)

## ABOUT THE CHILDREN'S MEDICAL RESEARCH FOUNDATION, INC.

Over fifty years ago, the Children's Medical & Research Foundation was established in Ireland with the sole purpose of promoting and funding pediatric research.

Fifty years on, this mandate has not changed, it has only expanded as Ireland establishes itself as an international hub of excellence and innovation in pediatric medicine.

One of the benefits of supporting research in Ireland is the potential these findings can provide to clinicians not only in Ireland, but across the world.

With a limited gene pool and with very little genetic variation, this fact alone places Ireland in a unique position to carry out research on the root cause of childhood disease.

Over the last 40 years, donors in the United States have contributed a net \$10m in grants to aid some of our sickest children. The close-knit partnerships forged demonstrates the power of committed people and organizations working together to make a positive difference in the lives of others.

This year we celebrate this journey to a better world for pediatric healthcare and invite you to continue the generosity you have shown to date.
