Sponsorship Descriptions

Standard Vendor. The standard vendor packet includes a table and two chairs to set up your display in a vendor hall. Clinic participants will be directed to move through this space frequently throughout the Clinic, and this will give vendors ample opportunity to speak with Clinic participants.

Event Booklet Ad. Event Booklet contains essential information for every Clinic participant, including schedule, room locations, meals, etc. Half and full-page ads give vendors an opportunity to include their graphics in this essential piece of Clinic material.

Pre-Session Slide Roll. The Clinic will feature a rolling slide deck at the beginning of each main session (total 8). This fee pays to have your ad included in the rolling slide deck.

Sponsored Meal. Clinic participants gather together for five meals. Sponsoring one of these meals includes an opportunity to make a 15 to 20-minute pitch during one of the three lunches or a 20 to 30-minute pitch during one of the two dinners to the Clinic attendees. For more details, please contact jdalley@anderson.edu.

Pre-Session Sponsor Pitch. The Clinic includes several opportunities to speak to all participants at once. A sponsor pitch gives you the opportunity to give Clinic participants a 3-minute pitch before a main session gets fully under way.
