### Letter from the Director

Dear Families,

Happy October! The classrooms have been enjoying the cooler weather by taking walks throughout the neighborhood. The children are very excited to just get out and see some new scenery.

Now is a great time to take your child on a walk and enjoy the changes of the season. There are many different learning opportunities that come about during nature walks!

The weather is ever changing. Please dress your child in layers. We are required by DCFS to go outside daily. The mornings are cool and the afternoons warm.
