Staff Spotlight

My Name is Courtney Davis.

I work as a Teacher's Assistant in the Rose Room with Preschool Children. My students call me Ms. Courtney or "Aaiden's Mom" because I also have the pleasure of not only being a teacher to my 4 year old son at home, but in the classroom as well. I am currently working on my CDA! I enjoy my job because I get to make a difference in each child's life that I work with and add to their successes in life and that gives me a great sense of pride!

Letter from the Director

Welcome back!

I hope you were all able to keep safe and continue to keep safe at home and when it is necessary for you to go in public. When we opened our doors on June 8th, we put many safety and health precautions in place to benefit the children, staff, and parents.

1. All parents, staff, and children over 2 are required to wear a mask to enter the building.
2. Parents, staff, and children must sanitize hands
3. Parents must complete and pass a health screen and temperature check for children to attend each day
4. Parent must clock children in on both the paper sign in and out sheet, as well as, the time clock computer in the mornings and in the afternoons.
