Staff Spotlight

We are sad to say goodbye to our Health Screening volunteer, Miss Stephanie. Each morning children and families have been greeted by Miss Stephanie. We have appreciated her volunteer hours since we returned in June. Keeping everyone safe is a big job and we appreciate her helpful smile throughout the last few months!

Letter from the Director

During our most recent Parent Advisory Committee virtual meeting, we discussed the challenge of not being able to communicate with staff in classrooms in the same way. We are encouraging staff to introduce themselves through pictures/video on the Homeroom site and in email so families can feel more connected with the adults caring for and educating their children. We've also created communication cards for any messages to be delivered to classroom staff. These can be found at our new entrance and main lobby. Many families know Miss Leticia but we wanted to welcome her to her new role as "Runner" in the morning and afternoon.
