Meet the Puggles

Puggles is licensed for 8 children ages 6 weeks to 15 months. The ratio is 1:4 with three full time caregivers.

We are on the Food Program and provide baby food, cereal and table food when age applicable. The daily schedule is child centered and Puggles provide a daily sheet to communicate with families how the child's day went.

Letter from the Director

Dear Families,

Fall is upon us and just as the season changes we do as well. We must wear a jacket or coat to play outside, we must wear socks and shoes as bare feet and sandals are put away. Long sleeves and pants return as our shorts and short sleeves move to the back of the drawer. Take time to notice the leaves falling and changing colors, share it with your child. Notice how cool and crisp the breeze feels. Observe the walnuts and acorns falling from the trees. A treasure if you are a preschooler. In this world that is hurried and uncertain take the time to appreciate the seasons and Mother Nature with your children. We are fortunate to be able to share that experience with your children and appreciate the fact that you choose us to be your child's early care and education provider. We understand the importance of that choice. As always we are in this together.

-Mary Rosa Gastaldo
