

A program of SAL Family and Community Services

Home Child Care Network Quad Cities & Galesburg

September 2020

Nutty Butterflies

Slice a few celery sticks, fill with peanut butter and top with some pretzels. Finish it off with a few candy eyes to make these flying bugs complete.

Balloons in the Sky

Provide shallow pans of colorful paint, bottle caps (or corks), cotton balls, unwrapped blue crayons, glue, and white construction paper.

Take a crayon and rub it on a sheet of paper to make a blue sky. Dip the top of a cap into the paint and then makes prints on the paper. Continue with other caps and colors. Stretch out the cotton balls and glue them to the paper so they resemble clouds. When the paint is dry, use a fine-tip permanent marker to draw a string from each balloon.

September Special Days
