

June 2024 | Child Care Connection of Central Illinois

Capitol Connections

Amidst a sea of voices championing early childhood education in Springfield, three staff members from SAL Child Care Connection of Central Illinois attended the Early Childhood Advocacy Day. With smiles as bright as their determination, they joined educators, policymakers, and community leaders at the state capitol, representing our CCR&R with pride and purpose. Their enthusiastic participation not only showcased our unwavering commitment to the well-being of our youngest learners but also highlighted the crucial role communities play in shaping policies that promote high-quality education and care for all children.

Parent News

If you are looking for a summer program for your school aged child(ren), we can help! Our Referral Specialist, Jessi, can create a customized search for you based on your family's needs.

The Child Care Assistance Program (CCAP) also helps families! Families may qualify if they are currently not involved in any activity such as work or school but would like to begin searching for employment or enroll in school.

In addition, we support families who are employed, attending school, teen parents and caretakers **of military deployed parents**.

Community News

Pekin Community Fun Fair
Sponsored by Tazewell -Woodford Head Start and Pekin Public Schools
Thursday, May 2, 2024

Our Infant Toddler Specialist, Christy and our Quality Specialist, Heather shared resources about CCR&R services and interacted with many community children and families.
