Letter from the Director

Dear Families,

As we begin February we take the time to celebrate the importance of friendship and thoughtfulness. The children often celebrate Valentine's day and this gives us the opportunity to share and model these two important concepts with our children. It is important to remember how the simple act of creating the valentine and being able to hand them out encourages both friendship and thoughtfulness. As a family take the time to let each other know how important you are to one another and remember how important the little things are like asking someone, "How their day was?"
