## Milan Campus News

September 2020

### Staff Spotlight

#### **Deb Bond, Family Service Provider**

I have worked for Skip-a-long for 35 years. I worked for Just Kids here at this campus for 30 years before it was transitioned to Skip-a-Long 5 years ago. I have been a teacher, as well as a Family Service Provider.

In my spare time I like to kayak and read. My favorite pastime is to spend time with my two grand children. I have always loved to watch children learn new things. In my role as Family Service Provider I have really enjoyed getting to know the families at our center.

### Letter from the Director

I can't believe September is here already. I want to thank all the families for being patient with all the changes that have taken place here at Milan Skip-a-long. E-Learning has been quite the adventure. If you have not signed up for Classroom Dojo please do. You will be able to see all the wonderful activities your children are doing and also communicate with your child's teacher.

You will be seeing a new face in the office from 9-5pm. Heidi Root is our new office manager. She started on August 17th. She comes to us from the Moline Campus. She previously worked in their office.

I will also be the interim site director for the foreseeable future.
