Staff Spotlight

Meet Mr. Damon!

Damon is a Lead Teacher in the Lightning Bug Classroom (3's & 4's), and has worked at Skip-a-Long since October 2004.

Fun Facts:

- Has lived in the Quad Cities his entire life!
- Lives in Davenport with his wife, stepson, and three dogs
- Has his Bachelor in Science in Genetics from Iowa State University
- Has his Teacher Certification from University of Iowa

Favorite thing about Skip-a-Long:

"I love my job because each day is different and you never know what a kid might say to a make you laugh. What I truly enjoy is that some former students in high school still remember me, so it really helps to remind us the important impact we play in the lives of our students."

Letter from the Director

Meet our new Family Service Provider, Amanda Schotz:

I am excited to join Skip-a-Long as the new Family Service Provider. I have my degree in Early Childhood Education and have worked in the Early Childhood Education field professionally for over ten years now, both as a teacher and in the office in an administrative role. While I grew up in the Quad Cities, my husband and two daughters (Micheala is 4 and Madelyn is 1) are becoming "natural locals" and already feel right at home with our recent move to Le Claire. We love living close to family and spending most Saturdays at my parents' farm. We also enjoy taking our dog Luna for walks by the river, or with us to grab some ice cream at Dairy Sweet. While I know these are unprecedented times in our lives, I look forward to finding creative ways to develop and maintain a successful relationship with each of you as I begin my career at Skip-a-Long!

Center Updates

In November we have our Annual Immunization Audit. After each well-check appointment, please be sure to turn in a signed copy of your child's immunization records to ensure their file is up-to-date. Thank you!
