What's coming up!

Families with children that are eligible for our State Wide Voluntary Preschool Program received letters and enrollment forms in their family mailboxes last month. If your child will turn 4 years old on or before September 15th of this year, you are eligible for this program. If you have not already returned your form to the front office and plan for your child to participate in our preschool program, please return as soon as possible to ensure a spot is available. Please contact Kim in the front office if you have any additional questions about this program.

Upcoming Events

Monday, April 13th is our annual in-service day for staff. The center will open at the normal time and serve breakfast and lunch. At 12:00pm, the center will close and children will need to be picked up.

We appreciate your continued support of our team as we increase our professional development in the field of early care and education.
