

# 2017 CPT® Changes Workshops Registration!

2017 CPT® Coding and Compliance Updates! (Formerly the AMA CPT Updates Workshops)  
Join us again for the annual, comprehensive one-day seminar that provides the necessary instruction for participants to keep pace with changes in procedural terminology, and helps them achieve more accurate reimbursement submissions.

Gain exclusive access to leading CPT experts. The workshop provides a comprehensive review of CPT changes to provide professionals with key knowledge to keep up to date with changes and new procedural codes. This year, the workshops will include HCPCS level II, OIG Work Plan and compliance highlights for 2017, and excellent resources to take away!

## Features for this CPT Updates workshop continues to include:

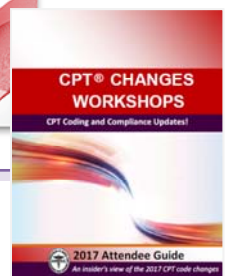

- An introduction to and overview of CPT changes that include added, revised and deleted codes
- A detailed explanation of the rationales behind added, revised and deleted codes and guidelines
- Information on changes to the code set such as guidelines, modifiers and E/M codes
- 2017 Compliance and OIG Work Plan Update
- 2017 HCPCS Level II Change Updates
- Expert-led interactive training
- A copy of the *CPT® 2017 Professional Edition* codebook
- A copy of *CPT® Changes 2017: An Insider's View* codebook
- A printed *CPT® Changes Workshop Attendee Guide*
- CEU Certificate for **7.5 CEUs** (AAPC and AHCAE)

\$114.95 - free!

\$79.95 - free!

\$74.96 - free!

The AMA has redesigned the *2017 CPT® Changes Insider's View* resource for ease of use and for better understanding of the changes. The features include improved rationales to communicate the reasons for, the implications of the changes, and much more.

The AMA has stated many CPT code changes will take effect in 2017. This edition of *CPT Changes* will explain changes throughout the entire code set, including those areas with some of the most significant changes. New tables have been included for 2017 and new format!

The workshop will provide key insight to essential compliance efforts in combating fraud, waste and abuse by reviewing the OIG Work Plan and auditing focus for Medicare and Medicaid. Be prepared in 2017 by being compliant from the start of the year!

Let our experts steer you in compliance with a fundamental understanding for accurate application of the changes for risk reduction and accurate reimbursement!
