

Colorado Medical Group Management Association (CMGMA)

is a state-wide professional association comprised of medical practice managers, administrators and executives. CMGMA is an affiliate of the national MGMA. CMGMA offers local opportunities for education and networking. Our purpose is simple. We strive to provide our members the opportunity for both professional and personal growth through education and networking with colleagues.

OUR GOAL

To develop and equip our members to create dynamic, successful medical group practices.

OUR VISION

We improve the delivery and management of healthcare by assisting our members' success through education, networking and advocacy.

Benefits of Membership

Growth - Membership in CMGMA offers the opportunity for personal and professional growth making you a more valuable asset to your practice.

Education - CMGMA offers educational opportunities for you and your staff on topics such as billing and coding, leadership, human resources and reimbursement. These opportunities include monthly luncheons, monthly webinars, as well as a yearly conference on topics that are important to you! We also assist members with certification through the American College of Medical Practice Executives (ACMPE).

Networking - With a network of members state-wide, CMGMA offers you the opportunity to meet fellow healthcare and business professionals with whom you can share knowledge and ideas.

Leadership - CMGMA offers members the chance to serve on committees that help to shape the organization.

Legislative Alerts and Updates - Receive timely alerts and updates to keep you informed.

Career Center/Job Board - Let CMGMA help you find the most qualified candidate for your practice's open position with our online job board.

Buyers Guide - Members learn about products and services offered by our Business Partners in our Buyer's Guide. Many of our partners offer discounts to CMGMA members.

Success - Membership in the Colorado Medical Group Management Association provides access to a wide variety of resources that can help ensure the success of your practice.

Studies show that physician practices managed by a professional who is a member of an MGMA organization are 20% more successful than those with no affiliation.
