OCTOBER 4-14, 2024
GHANA

NOVEMBER 15 - 25, 2024
INDIA

**HELP US FIND PROVIDERS TO TRAVEL WITH PROJECT CURE TO
DELIVER HEALTH AND HOPE WITH C.U.R.E. CLINICS.**

Project C.U.R.E. has an **Urgent Need** for physicians, nurse practitioners, and physician assistants to join us in **Ghana and India in 2024** and provide direct patient care.

Apply TODAY at PROJECTCURE.ORG/CLINICS

C.U.R.E. Clinics provides sustainable international development aid that supports existing efforts to improve local health systems. Both medical and non-medical volunteers work side-by-side with local healthcare professionals exchanging valuable medical knowledge and providing primary care and community health education for the local community.

C.U.R.E. Clinics trips are 10 days. Program Cost are tax-deductible and includes accommodations, meals, travel insurance, incountry transportation, clinic supplies, and a fun cultural excursion. Program Cost for Ghana is \$1,300, and for India is \$2,950.
