## ATTENTION EMERGING WRITERS and LOCAL VISUAL ARTISTS! CALL FOR ENTRIES

### Art Embraces Words

Emerging writers read from their works surrounded by visual artwork by local artists. In this way the art literally “embraces” the spoken word.

**When: Sunday July 14, 2019**

**Where: Lafayette Library & Learning Center, Arts & Sciences Room**  
3491 Mt Diablo Blvd, Lafayette, CA 94549

Master of Ceremonies, Lafayette resident **Lynn Carey**, former host of the Times Book Club, will moderate the event.

**Reception follows** where light refreshments will be served so that writers, artists and all who attend can enjoy each other’s company.

If you are interested in reading your work, apply here:
