

*Writers paint
images with
words.
Artists tell stories
with color.
Together they
enrich our
community.*

Made possible
by a grant from

The Lamorinda Arts
Council thanks our
generous sponsors for their
in-kind donations:

Sunday August 30 @ 2:00 pm Zoom Webinar

Please join us for **Art Embraces Words**, a recurring live Webinar series. The program features emerging authors reading excerpts of their work at 10-minute intervals, interspersed with interviews with artists displaying images of their artwork. A Q & A follows for audience members to ask writers and artists questions about their work. In the new, virtual world, art still 'embraces' words.
