

Opportunities Bloom

An Evening at
Ruth Bancroft Gardens
Celebrating and supporting the ways
we bloom even among the thorns.

Spring Fundraiser

May 19, 2022

6 - 8:30 PM

Even during the challenging years that we have just experienced, Trinity Center has proven to be tenacious, resilient and dedicated to our mission of being a doorway to opportunity.

As we prepare for our upcoming May 19th fundraiser, we are acutely aware that we can only do this work with the help and support of our generous community. We need financial support to continue to provide essential safety net services and a pathway forward for vulnerable populations experiencing, or at risk of, homelessness. With the support and advocacy we provide, many of those we serve reach or move closer to their goals of obtaining housing/shelter, financial stability, and wellness.

Sponsorships will help us reach our event fundraising goal of \$200,000.

Won't you join us in our mission to uphold the values of dignity, respect, inclusion, equity, and vibrancy of life for all in the Bay Area community that we all share?

Trinity Center envisions a community working together to address the devastating effects of poverty and remove barriers to stable housing through compassionate services, education, shelter and advocacy.

During the 52 weeks that Trinity Center provided day services in 2021:

- 16,086 people were welcomed into our day center (1,092 unique individuals)
- 19,984 meals were served
- 16,437 articles of clothing were distributed

Our *Opportunities Bloom* Event will highlight both the work we do all year and the opportunities available for those who share our vision to contribute to the continuation of our work. Our event will be live-streamed for those who would like to attend virtually.
