HIGH SCHOOL Visual Arts COMPETITION

The Lamorinda Arts Council is proud to bring the 18th Annual High School Visual Arts Competition (HSVAC) to the Art Gallery at the Orinda Library's online gallery. Students living in or attending school in the Lamorinda area (including all schools in the Acalanes School District) are welcome to register for the competition. The competition showcases student art in four categories: 2D, 3D, photography, and the Lamorinda Arts Alliance sponsored digital art category. Professional judges with experience in practicing or teaching the above categories judge the competition. The criteria used for judging include: creativity and originality; content and degree of expertise in the chosen medium. The competition features cash awards totaling $3000 and merit citations, as well as inclusion in the online gallery on the LAC website. Winners will be announced on the Live Artists & Awards Show on March 11th at 7pm. Entries accepted for the HSVAC will be on display online for public viewing from March 1, 2021 until updated in 2022.

Winner of 2020 Best in Show – "Bird Show Case"
by Kate L., Bentley Upper School, 10th Gr.
Artwork Created Independently

Winner 1st Place in 3D – "Yearning"
by Anika S., Miramonte High School, 12th Gr.
Teacher: Gavin Kermode

The Council acknowledges the contribution of art educators on behalf of our students and community.

HSVAC Chair Aniston Breslin invites the public to celebrate artwork expressing the imagination, skills and talent of Lamorinda high school students along with their families, friends and art educators at this exciting annual competition.

Live Artists & Awards Show on March 11, 2021 at 7pm
