April 2021 Artist

Denise Nomura

"Seeking Nature's Deep Calm"

During the month of April, the Art Gallery at the Orinda Library will feature the online solo exhibit of Denise Nomura.

"My passion is recreating the beauty and calm of the outdoors with its limitless skies, lakes and rolling fields.", says Nomura. She began her painting career while living abroad in Tokyo, Japan in 2005. It was there she studied traditional sumie brushstrokes and techniques, along with exploring Japanese "Nihonga" mediums. After her seven years abroad, she returned to the US and begin painting with oils. Recently she has focused her work on landscapes of Lake Tahoe as well as dabbling in painting pet portraits.
