### **Karyl Cunningham**

Originally from Toledo, Ohio, Karyl Cunningham has worked in the non-profit field for over 25 years. Karyl has always had a passion for work that is for the greater good of society, people, and the communities in which they live. She served as president/CEO of the historic Emanuel Community Center for 8 years, from 2003 to 2011, and found that her greatest achievement was re-igniting the light of Emanuel and establishing the center’s role in supporting the Over-the-Rhine community.

Karyl’s presentation will highlight the efforts she led alongside ECC staff, board members and volunteers to build up the center’s recognition, and more importantly, have it live up to a mission of purpose and impact.

### **Marva Payne and Levi Jones**

Sweet P’s Styling Shop and Skeeter’s House of Beauty, both located on the ground-floor of 1439 Elm Street, were long-term Over-the-Rhine establishments. Opened in 1974, Sweet P’s was run by James Lewis, better known as “Sweet P,” and Marva’s father. The beauty shop was run by Geneva Lewis, better known as “Miss Skeeter,” Sweet P’s wife. Sweet P was still cutting hair into his eighties alongside his friend and fellow barber, Levi Jones. Levi worked with Sweet P throughout the life of the shop which served African American residents of Over-the-Rhine for over 45 years. Levi can recount the family-like environment of the shop and its prominence in the community, where it was a regular occurrence to have folks waiting for their turn to sit in one of the three barber’s chairs.

Marva’s talk will focus on the lives of Sweet P and Miss Skeeter while Levi will share his memories from his time at Sweet P’s Styling Shop.

### **Stephen Albert**

Stephen Albert began taking photographs in Over-the-Rhine in 1971. He had a two person show with California photographer John Divola in 1977 at Camera Works Gallery in Mount Adams. Albert worked at Quality Photo Shops in Corryville from 1975

until 1982. He received a master's degree in library science from the University of Kentucky in 1983. He worked at Wilmington College Library, Thomas More College Library and Kenton County Public Library until his retirement in 2016. In November 2021, Albert published a book entitled "Over-the-Rhine in the 1970s: A Journey into a Unique Cincinnati Neighborhood."

Stephen's presentation will share and discuss a selection of the nearly 100 photographs that are included in his book.

Three Acts in Over-the-Rhine is an innovative lecture series designed to expose attendees to stories of the Over-the-Rhine neighborhood. Each event features three, fifteen-minute talks on the history of Over-the-Rhine. Presenters will answer questions together at the end about their talks.
