

Dear Neighbors,

The North Avondale Neighborhood Association (NANA) considers your safety as one of our top priorities.

Should you see any **suspicious activity** such as drug dealing, disorderly conduct, graffiti, vandalism, enticement, abduction, sexual predators, curfew violators, guns, gangs, prostitution, and or if you have any other Law and Safety concern on or around *your* street, please:

- **Discreetly document as many details as possible.**
- **Call Police dispatch at 765-1212, and provide the details.**
In case of an Emergency, call 911.
- **Call the Neighborhood Liaison Police Office with the details at 569-8679 at District 4 Police Station.**
- **Contact NANA's Law and Safety Committee at 401-5356 NANA Voicemail or nanacincinnati@gmail.com to notify us of your safety concerns, so we may follow-up with both you and the Police.**
- **Please check out our website at northavondalecincinnati.com for more helpful Law and Safety Tips.**
- **If you're interested in starting up a Block Watch on your street, please contact NANA.**

Police resources are allocated based on the number of calls received; therefore, the more consistent you are at reporting every occurrence of suspicious activity, providing as many details as possible, the more the Police may be able to help. After all, you are the eyes and ears of your street.

Thank You,

The North Avondale Neighborhood Association
