WHAT PLACE FEELS LIKE HOME?

I've lived my entire life in **Kansas City**. The Kansas City Chiefs, the Royals, the Kansas City Zoo & Aquarium, Union Station, all of it.

Kansas City is mine and always feels like home. **I am very proud of it.**

"I'm in my **Taylor** and **Travis** era! Two of my favorite worlds came together to feed that obsession, the Chiefs and Taylor Swift!"

WHAT DREW YOU TO WORK AT MOCSA?

Funny story really! In **2003**, I answered an ad in the Kansas City Star newspaper by **mailing in my resume** for an Administrative Assistant job, but the ad didn't specify where.

I got the call to come in for an interview and the woman said it was for the Metropolitan Organization to Counter Sexual Assault. **I told her I didn't apply there and she insisted I did.**

I went in for the interview knowing nothing about sexual assault or what I was getting myself into, but **I knew the database system** from a previous job I had.

Boom, hired!

WHAT ARE YOUR HOBBIES, SKILLS, & INTERESTS?

I started bowling when I was 18 and pregnant in 1985. My husband worked in a bowling alley and he taught me.

My kids learned to bowl the minute they could hold the ball. I still bowl every week on league night, and so do my kids.
