

## **Key Club Application**

### **2020-21 Trinity High School Key Club**

**Key Club Meetings are held every other Tuesday in Mrs. Stager's room (210) from 2:50 to 3:30.** Meetings consist of a brief business meeting followed by a speaker or service project. If a student needs to leave early for a sport, etc. they may do so, but will not receive credit for the service project (see requirements below). Some service projects may take place away from the Trinity Campus or outside of school hours. These projects are voluntary and will require the student to provide their own transportation. Many-but not all – Key Club service projects also count toward required school service hours.

#### **What is Key Club?**

Key Club is an international student-led organization which provides its members with opportunities to provide service, build character and develop leadership. The core values of Key Club International are leadership, character building, caring and inclusiveness.
