

Lake Sunapee Protective Association
presents

~ Out and About in Nature ~

10:00 am
on
Tuesdays

September:

In the Harbor 9/18th
In the Harbor 9/25th

Summer's End ~

Cooler days, changing leaves
and Autumn seeds...
we will explore the how
the natural world is changing
right before our eyes!

October:

In the Harbor
10/2, 10/9, 10/16, 10/23
At The Fells
10/30

Autumn delights!

Bright leaves, orange pumpkins, black
bats reveal all the magic of autumn.
Our programs will highlight the colors
and mystery of this changing season.

November:

In the Harbor 11/6, 11/13
At The Fells 11/27

The In Between Season

Turkeys, loons and so many of our
animal friends listen to the call of
winter. Join us in learning about how
plants and animals prepare
for the cold ahead.

December:

In the Harbor 12/4
At The Fells 12/11

Winter Solstice Magic

The days are short
and the nights are long
on the eve of Winter.
We'll make discoveries about
what's happening in the
frosty world outside!
