#### Winter Wonder ~

Have you ever wondered how animals get through New Hampshire's long, cold winter? Our January sessions will explore what animals are eating, where they live, how they move and what signs of their activity can be found.

#### February ~

In the Harbor 2/5<sup>th</sup> and 2/12<sup>th</sup>  
At The Fells 2/19<sup>th</sup>

#### Snow! Snow! Snow!

Let's take a closer look at the white stuff! We'll investigate what makes snow so special and the "secret kingdom" where animals live during the harsh, cold winter.

#### March ~

In the Harbor 3/5<sup>th</sup>, 3/12<sup>th</sup>, 3/19<sup>th</sup>  
At The Fells 3/26<sup>th</sup>

#### Sweet Winter and Signs of Spring!

Days are growing longer and March breezes may surprise us with snowdrifts or mud puddles! During the month of March we will follow spring's amazing awakening and progress.

LSPA's Out and About Program follows the local area school districts snow day protocol.

If there is a full snow day called or there is a morning delay issued for either of the Kearsarge, Newport, or Sunapee schools, LSPA's Out and About program will be canceled.
