Norwalk Hospital is an acute care, academic hospital that provides patients with the latest in medical, surgical and wellness services. From our Level II Trauma Center, Primary Stroke Center and Joint Replacement Center of Excellence to advanced cancer, heart and neurosciences care—you'll find the services you need. Our teams include top medical and surgical talent and we invest in technology and collaborate with leading doctors and scientists to bring top-notch services to Fairfield County.

Nuvance Health is a family of award-winning nonprofit hospitals and healthcare professionals in Southwestern Connecticut and New York's Hudson Valley. Nuvance Health combines highly skilled physicians, state-of-the-art facilities and technology and compassionate caregivers dedicated to providing quality care across a variety of clinical areas, including cardiovascular services, neurosciences, oncology, orthopedics and primary care.
