

Norwalk ACTS 2025 Community Engagement Spectrum

Reflect on your role in the Norwalk community. Where do you see yourself or organization on the community engagement spectrum—and what might it look like to take one step further toward shared decision-making and leadership?

Informing	Consulting	Involve	Collaborate	Shift Power
NACTS shares information about community events, workshops, and resources through the NACTS Monthly Newsletter, social media channels, and at local community events.	Early Childhood Community Advocates represented parent perspectives on the Blue Ribbon Panel and led the parent survey's implementation across the Norwalk community.	Early Childhood Community Advocates actively participate in Initiative discussions focused on where we should grow our partnerships and the early childhood development work.	Youth Community Advocates co-led the 2023 Board of Education Candidate Forum with Center for Youth Leadership.	Youth Community Advocates, in collaboration with NPS Superintendent's Leadership Council, developed a new Cell Phone and Social Media Policy for NPS
