DESTINATION NORWALK:

African-American Migration from the South, 1940-1970

CURATOR: KATHLEEN MOTES BENNEWITZ

Ann selebre Mwa Istwa Nwa! Nou te vle mete aksan sou ekspozisyon vityèl la, **DESTINATION NORWALK:** Migrasyon Afriken-Ameriken Soti nan Sid, 1940-1970, soti nan Sosyete Istorik Norwalk.

"Dezyèm Gran Migrasyon an" soti 1940 rive 1970 te pouse plis pase 5 milyon Ameriken Nwa nan sid pou yo deplase nan sant endistriyèl iben nan Nò, Midwès ak Lwès. Ki jan egzòd mas sa a te afekte Norwalk? Avèk kwasans fiks Norwalk, popilasyon nwa vil la te ogmante ant 1940 ak 1970 soti nan 2.4% (871 pop.) a 8.4% (6.660 pop.). Kòm konpozisyon rasyal Norwalk te chanje, priyorite politik vil la, relasyon travay, kominote, ak ekspresyon kiltirèl te evolye nan deseni sa yo nan refòm Dwa Sivil basen vèsan yo. City of Norwalk Operating Budget Key Decision Makers and Roles	
Education	
The Board of Education (BOE) is an elected body composed of nine unpaid volunteer community members. Four are elected at large and five are elected from their districts within the city. Board members are elected to four-year terms and have staggered terms. The Board's role is to set the mission, vision, and values for the district, hire an able and qualified superintendent, create the policies to operate the school system, determine the financial needs and direct the funds necessary to run the schools, and employ the necessary personnel to operate an effective school district. The Board of Education is not responsible for the day-to-day management of the school district. District administration and daily operations are the responsibility of the superintendent. "Whereas the elected BOE has the responsibility for reviewing and making line item budget decisions, the elected and appointed City bodies are only responsible for setting the annual education budget spending cap, deferring line item decisions to the BOE." It is important to note that BOE only has authority over the Superintendent, but they cannot involve themselves in personnel matters or other situations that might open NPS up to legal ramifications. The BOE is subject to requirements from both the State of Connecticut and the Federal Government. In addition, they are responsible for approving capital budget items, and then the City of Norwalk executes repairs over \$100,000 using approved and bonded funding from the City and State. The BOE Finance Committee is the committee that makes budget recommendations to the full board. They review monthly expenditures, necessary contracts, and ensure that the fiscal aspect of the BOE's responsibilities have been completed. The BOE Facilities Committee oversees spending on capital maintenance and repairs and new construction. Norwalk Public Schools also receives funding from the State of Connecticut and the Federal Government. The state reimburses funding for school construction to Norwalk, and Norwalk receives 23% of new construction and 22% of renovations as new or approved construction funds. In some cases Norwalk has received more, for Brien McMahon HS renovation in 2008 and the new Norwalk High School. Areas where there is consensus that Norwalk could advocate for additional funding might be ECES formula, ECEES Civil Grant, Federal IDEA funding, and school construction reimbursement formulas.	The BOE has several working committees through which they set policies, curriculum and budgets. You can read more about the BOE members and their committee assignments here: https://www.norwalkps.org/210/623_2 • Sheri McCready-Pritchett • Dana Carpio • Kara Nelson-Bailey • Sherelle Harris • Linda Amani, NPS Chief Financial Officer (NPS staff person who runs part of this committee) • Dr. Alexandra Estrada, Superintendent of Norwalk Public Schools

Anplis de sa, li se sezon bidjè nan Norwalk. Nou te mete ajou [gid sa a nou mete](#) ansanm ane pase a pou ede fè li pi fasil pou w konprann kijan pou w itilize vwa w epi pran pèz sou pwoblèm ou entereze yo. Tanpri referans sa a epi pataje li ak lòt moun!
